Do not report inventories of merchandise held for sale or finished goods in the hands of the manufacturer. Personal property leased or rented and used in your business must be reported in PART III of this schedule and not in this section. Property on which you wish to report a nonstandard value must be reported in PART IV of this schedule and not in this section. A separate schedule should be filed for each business location. List the total original cost to you for each group below by year acquired in the REVISED COST column. If COST ON FILE is printed on the schedule, you need only report new cost totals resulting from acquisition or disposition of property in the REVISED COST column. Any acquisitions/dispositions will require detail documentation.

ALTERNATIVE REPORTING FOR SMALL ACCOUNTS - If you believe the depreciated value of your property is \$1,000 or less you may use the small accounts certification (reverse side) as an alternative to reporting detail costs below.
